

NLPAI 2024

July 19-21, 2024, Chongqing, China

CALL FOR PAPERS

www.nlpai.org

CONFERENCE INTRODUCTION

2024 5th International Conference on Natural Language Processing and Artificial Intelligence (NLPAI 2024) will be held in Chongqing, China during July 19-21, 2024. NLPAI 2024 aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professionals practice in the field of Natural Language Processing and Artificial Intelligence.

We welcome researchers, engineers, students, industry, investors and people from all walks of life interested in Natural Language Processing and Artificial Intelligence to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

PUBLICATION

All accepted papers will be published in the Conference Proceedings. It is required that all the papers should be properly presented in the conference.

SUBMISSION METHOD

Electronic Submission System: [Click here](#)

Email Box: nlpai@cbees.net

Listener Registration: [Click here](#)

IMPORTANT DATE

Paper Submission-----June 15, 2024

Notification of Acceptance-----June 30, 2024

Camera-ready Paper-----July 05, 2024

Registration and Payment-----July 05, 2024

Conference Dates-----July 19-21, 2024

CONTACT

Conference Secretary: Ms. Stephanie Chen

Email: nlpai@cbees.net

Tel.: +86-18117807764

Conference Website: www.nlpai.org

COMMITTEE

Honorary Chair

Prof. Wushouer Silamu, Xinjiang University, China

General Chairs

Prof. Kurban Ubul, Xinjiang University, China

Prof. Nima Zhaxi, Tibet University, China

Program Co-Chairs

Prof. Yanan Sun, Sichuan University, China

Prof. Dingguo Gao, Tibet University, China

Prof. Bin Liu, Beijing Institute of Technology, China

Assoc. Prof. Kazuyuki Matsumoto, Tokushima University, Japan

Publication Chair

Prof. Xiwen Zhang, Beijing Language and Culture University, China

International Steering Committee

Prof. Xiao-Zhi Gao, University of Eastern Finland, Finland

Prof. Grigorios Beligiannis, University of Patras, Greece

Assoc. Prof. Andy Song, Royal Melbourne Institute of Technology, Australia

TOPICS

The conference topics include but are not limited to:

Natural Language Processing:

Speech Recognition and Synthesis/Information

Extraction/Parsing Formalisms/Grammatical

Formalisms/Linguistic Resources/Machine

Translation/Question Answering/Statistical and

Knowledge based Methods/Spoken Language

Processing/Information Retrieval

Artificial Intelligence:

Agent-Based Systems/Ant Colony

Optimization/Approximate Reasoning/Artificial

Immune Systems/Bioinformatics and Computational

Biology/Brain-Machine Interfaces/Cognitive Systems

and Applications/Collective Intelligence

More topics please visit: <http://nlpai.org/cfp.html>
