

2026 7TH INTERNATIONAL CONFERENCE ON NATURAL LANGUAGE PROCESSING AND ARTIFICIAL INTELLIGENCE

July
10-13
2026

NLPAI 2026

2026 7th International Conference on Natural Language Processing and Artificial Intelligence (NLPAI 2026) will be held in Urumqi, China during July 10-13, 2026. NLPAI 2026 aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professionals practice in the field of Natural Language Processing and Artificial Intelligence.

Publication

All accepted papers will be published in International Conference Proceedings by ACM (ISBN: 979-8-4007-2497-8), indexed by Ei Compendex and Scopus.

Committee

Honorary Chair

Prof. Wushouer Silamu, Xinjiang University, China

General Chairs

Prof. Kurban Ubul, Xinjiang University, China

Prof. Yue Zhang, Westlake University, China

Prof. Qijun Zhao, Sichuan University, China

Program Chair

Prof. Bin Liu, Beijing Institute of Technology, China

Assoc. Prof. Kazuyuki Matsumoto, Tokushima University, Japan

Prof. Xiwen Zhang, Beijing Language and Culture University, China

Prof. Dingguo Gao, Tibet University, China

Prof. Dingguo Gao, Tibet University, China

Publication Chair

Prof. Maoshen Jia, Beijing University of Technology, China

Publicity Chair

Prof. Yongpan Sheng, Southwest University, China

International Steering Committee

Prof. Xiao-Zhi Gao, University of Eastern Finland, Finland

Prof. Grigorios Beligiannis, University of Patras, Greece

Important Dates

- Submission deadline: 03/25/2026
- Acceptance notification: 04/15/2026
- Camera-ready paper: 05/05/2026
- Registration and payment: 05/25/2026

Contact

Conference Secretary: Ms. Stephanie Chen

Email: nlpai@cbees.net

Tel.: +86-28-86528465

Conference Website: www.nlpai.org

Topics

The conference topics include but are not limited to:

Natural Language Processing

- Phonology
- Morphology
- Lexical Semantics
- Discourse
- Text Mining
- Paraphrasing
- Entailment
- Generation
- Chunking
- Shallow Parsing
- Ontology

Artificial Intelligence

- Agent-Based Systems
- Ant Colony Optimization
- Approximate Reasoning
- Artificial Immune Systems
- Artificial Intelligence in Modelling and Simulation
- Artificial Intelligence in Scheduling and Optimization
- Artificial Life
- Brain-Machine Interfaces
- Cognitive Systems and Applications

More topics please visit: <http://nlpai.org/cfp.html>

Call for Invited Speakers

The organizing committee cordially invites experts and young scholars in natural language processing and artificial intelligence and other related research fields to attend the conference and deliver invited talks.

If you are interested, please submit a CV to the email address: nlpai@cbees.net for further review

Call for Tracks

The 2026 7th International Conference on Natural Language Processing and Artificial Intelligence (NLPAI 2026) is soliciting proposals for Tracks. Interested scholars are warmly invited to submit their proposals to: nlpai@cbees.net.

The organizing committee of NLPAI will provide corresponding support to the organizers once the track is successfully established.

Established Track:

Track 1: Multimodal AI-Generated Content Detection and Trustworthy Artificial Intelligence

Chair: Dr. Mei Qiu, Xiamen University, China

Suggested Track Topics (including but not limited to):

Large Language Models and Generative AI
Natural Language Understanding and Information Extraction
Multimodal AI and Cross-modal Learning
Knowledge Graphs, Reasoning, and AI Applications..

※ Other related topics in Natural Language Processing and Artificial Intelligence are also welcome.
